“ *Jim so sorry I didn't know about Stella's death. You and Stella were good neighbors. She did my laundry for 21 years. When I bought a washer and dryer after I moved she was very disappointed. If you see me on the street or pass by my house be sure to make yourself known. Claire Busch*

“ I will miss my Aunt Stella. ❤️ No Matter where I saw her, she never failed to stop me to say hello and ask how I was & what I was up to. She was a loving caring woman. I loved her quirky personality, & I admire the way she had of saying what she thought about anyone or anything. (perhaps that is where I get that trait!!) No..lol.. she was not one to hold back! ..If there was news to be heard she knew what it was! May she be Resting and Breathing easily in Heaven as she greets all our loved ones who have passed before her. She will be missed by many. Fly High Aunt Stella, ❤️ I Love You ❤️ and I will see you when I get there!

I Thought I'd Share This, I call It ~ Miss Me But Let Me Go.

*When I have come to the end of the road
and when the sun has set for me,
I want no rights in a gloom filled room,
Why cry for a soul set free,
Miss me a little-but let me go,
For this is a journey we all must take
and each of us must go alone..
as all a part of the master's plan,
it's a step on the road to home,
So when you are lonely and sick at heart,
go to the friends we know
and bury your sorrow in doing good deeds,
Miss me- but let me go...❤️*

My Deepest Condolences To My Uncle Jim, Terry And Doug, Their wives and her Grandchildren, as well as all my Aunts and Uncles and Family.

❤️ ~ Love, Donna
