“ Bruce, I just looked her up today because she does cross my mind at times. So sorry to hear about her passing. She was my first and dearest friend in our first time away from home in San Diego while you and Doug were on cruise. I have so many wonderful memories of our times together. We depended on each other for everything. Shared our dreams and learned from each other. I have not had a friend like her since . Thankful to have had her in my life.

“ I want to send my deepest condolences to Bruce and Tamara's family. I met Tamara and Bruce in SanDiego and although we went our seperate ways, I always remember how caring, fun and loving Tamara was. She hosted my bridal shower when I didn't have any family near by, surrounded me with friends and love and I will never forget her kindness.
