“ I will really miss Dian. She was always a character! Her way of relating a fishing trip and how it all happened was quite interesting. I enjoyed working with Dian and always knew I could count on her to give me the straight evaluation on a repair without any fluff. She also went out of her way to get the repair done as agreed and verified it was done right. I don't recall every having a problem with a repair she had completed--she was good at her job. I was reflecting over my memories of Dian and recall thinking many times that she always had such pretty hands and nails. I was amazed that she could keep her nails so nice while using hand tools and working with wire. I don't know how she managed that.

***Dian will be greatly missed. My condolences to all of her family and friends. She is a good lady.##imported-begin##Sarah Meister##imported-end##*

“ Dear Loved Ones,
I am sorry to hear that your mom is gone. I remember when we were silly teenage girls together just starting our families. She was so proud of her beautiful children. And now you have your own kids. My thoughts and prayers are with you during this sad time. May God grant you peace during your mourning.
