“ *Just read with shock and sadness of Teresa's passing; we were in the same class at BHS and took Driver's Ed together. We shared laughs over the gym teacher who called us by the other's name. We didn't stay in touch, but I see from these tributes that she remained the sweet and kind person I knew all those years ago. My sincere condolences to Teresa's family and friends.*

“ *Teresa and I grew up down the street from each other and walked to school with other neighborhood kids for many years. She was the first to get her driver's license and couldn't wait to drive us to school. We graduated in 1972 and in later years I would see her around town and we'd have a visit. Her passing is heartbreaking. Wishing God's peace and comfort to her family and friends. Valerie Wilson Jackson*

“ I can't begin to list all the good times Teresa and I had as teenagers growing up in Wells County. Many of them were trips to Ohio, cruising Main Street Bluffton and parties. I will never forget them. All I want now is for my dear friend to rest in peace.

Teresa and I grew up down the street from each other and all of us classmates in the neighborhood walked to school together for many years. She was the first one in the group to get her driver's license and couldn't wait to drive us to school the first time. In later years, I'd see her around town and we'd visit. I have wonderful memories of this sweet girl and my heart breaks for her family and friends. May God bring you peace and comfort in the days ahead. Valerie Wilson Jackson (BHS 1972)

“ I was saddened to hear of Teresa's passing and will miss her sharing comments on Face-Book, as we posted things regularly. I enjoyed having her as a classmate in school and have some very dear and fond memories of the times we shared in the class of "72" at BHS. My prayers go out to her family and wish them comfort is this time of loss.
