“ *I miss you so much girl. The times we shared will never be forgotten. You were always so cheerful and funny. You could always make me laugh. I still remember when i was younger and you were taking a shower,you were stomping your feet in there and made it sound like you fell down. I know you did that to see if I would come running. Yes, and i did. You scared the crap out of me. And when i walked in, you were standing there laughing your ass off. Of course I didn't find it that funny but you got me funny girl. I will miss you so, I wish I could bring you back. I love you so much*
