“ *My thoughts and prayers go out to Terri's loved ones. I worked at Maxon Corporation the entire time that Terri worked there, and she was such a cute, bubbly blessing to all of us, and truly represented Maxon well to the public as the receptionist. Amy, I remember meeting you through your mom and I hope that all is well with you and that God will be with you at this difficult time, and that you will be blessed with His comfort and with warm memories of your mom.
