“ *As a young girl, I was always excited to get to the “farm” to ride the mud bugs and have Uncle Duane give me pony rides. I also loved to listen to Grammas stories about how things were when my Dad was growing up, how grandpa made homemade wine, and just all the different things she experienced over the years. My boys especially remember the basketball and kickball at the cabin and we all learned some tips on how to play a better euchre game. She was always competitive!!! It amazes me how sharp her mind was even as she aged and how active she wanted to stay. One of the best memories at the cabin for me was my engagement to John 😍 Although we can't be there right now - she is definitely in our thoughts and she will be missed.*
