“ *I'm saddened to have just found out that Tim passed away. While we haven't been in touch recently, I enjoyed our last lunch together catching up and laughing two summers ago. Tim was such a huge supporter of myself as a local musician and I always found myself performing with a little more effort when I'd see him walk into whatever bar I happened to be playing.*

I always admired his passion for life and his positivity. I am truly grateful that I was lucky enough to have met him and even more grateful to be able to call him a friend over the years. Even now, I imagine I will still be looking for him to walk into the bar at the next gig. I hope I never stop looking for that. You will be missed tremendously Tim.

“ I am so sorry to hear of Tim's passing, but it appears that he obtained many of his life goals. Tim and his older brother could be counted on to defend the underdog or the defenseless, when we were in school or on the bus. There appeared to be many things for them to overcome in our youth, but they were intelligent and persistent in their endeavors. It was a blessing to have known you!

“ My prayers go out to Tim's family that the Lord will comfort you at those times when your hearts ache and can not be comforted. Tim is a wonderful and loving person. He and I had many talks about life's challenges while we were in high school together. He had the joy of the Lord in his heart and always had a kind word to say. He was like a brother to me.
