Bonnie, I just learned about Tim. I am so sorry for your loss. I remember him in his cowboy boots, hat and play guns when I lived in the upstairs apartment. He was such a cute "cowboy". The "cowboy" grew up to be a fine man and gentleman. He will be missed. Mary Lou

Tim will be missed by all of us who knew him. As a class mate he was a fair and honest guy. His fun loving spirit and caring personality was two of the things I consider most noteworthy about him. I will miss not seeing him at the class reunion this year. One more class mate gone into eternity to his rest. My prayers go to the family.

Dear Bonnie, There are no words to describe the utter grief that I am feeling right now, and I cannot possibly imagine the shock and sorrow that you must be going through. I will always remember the time that Tim spent with our family, the Swartz's. That time really was, for us, our formative years and we learned so much from each other. I thought of Tim as the brother I always wanted, and we just had a lot of fun when he was around. Tim was taken from us too soon, and I think we all share the sentiment that it feels a little unfair that such a smart and loving man's life has ended with so much living left to do. Please accept my sincerest condolences and know that I am praying for comfort for you during this time. Dear Vic, I do know for a fact that Tim was so happy that he had found you. Tim and I just had a conversation a couple of weeks ago about how happy he was to have you in his life. I just wish you would have found each other sooner and that your time together had lasted forever. I know there is nothing I can say to make the pain stop. Please know we are praying for you, and if you need anything at all, please do not hesitate to let me help you. Love and prayers to both of you.
