“ *Miser Family, I can't begin to tell you how heartbroken I am over the passing of Truly. I took care of her many times at North and Riley, and she and your family were always such a wonderful part of my day. Even when she didn't feel well, she was so brave, and always let us do what needed to be done. Please know I'm praying for peace for you and your family. I know there are no words that can ease your pain, but know the Riley Family is thinking of you and sending our love.*

*Love,

“ Ryan, I know that words do little to offer comfort at this time. I pray that God pours out his spirit upon you, Hannah, and the rest of your family that you may receive his comfort soon. May your faith in him grow at this troubling time and may you look for hope in his resurrection.
