“ To the Nobles, Kunkles, and family and friends of Tyler, I wish I had the right words to say... Any unexpected tragic event is difficult and sad..My prayers are with your family at this time...Let it be known that all his goodness, his light, his talents, intentions, hopes and dreams are still alive and well... Everything that was good and wholesome remains... As long as Nataley is around, anyone who sees her and knows her will always know that he is not gone forever... He will live on through her.. He will be able to "watch" over her and guide her and be her "angel" now.##imported-begin##Alice Bell##imported-end##
