“ *Grandma(Arlene)Welker was not only my grandmother,She was my mother as well!!Her and Grandpa (Dean)Welker helped raise Scott and I!!!Arlene always told me how she always wanted a daughter named Jennifer Renea!Well she got her wish!!She would get us up for school,always made our supper,Taught us how to swim,Everything a mother would have done for her own children!Grandma taught me alot about being a loving and caring mother!She helped me become the mother I have been to my children today!She made us her famous French Toast whenever we wanted it and her banana pudding was one of our favorites as well!!!These are just a few of the things I will always carry with me!*

Arlene loved her butterflies!Her house,every room could not be without one of butterflies!And since her passing I can't go anywhere without seeing at least 1of thme!They were free to fly wherever they wanted and now Grandma earned her wings to fly home to be with Grandpa Dean Welker and My Father Dennis Welker,And our Heavenly Father Jesus Christ!

Until we meet again Mom,grandmother,Fly high with the angels and Grandpa And Your son once again and give them my love!!You will be missed so very much!

A butterfly lights beside us like a sunbeam. And for a brief moment its beauty and glory belong to our world. But then it flies on again, and though we wish it could have stayed, we feel so lucky to have seen it. Everyone who knew my grandma, Arlene Welker, knows how much she always loved butterflies...now she can fly with them as an angel.
