“ Charlie, Dana & Shannon. So sorry to hear of your loss. She was such a nice lady. I used to see her quite often and she always greeted me with a smile and a hug. I haven't seen her for awhile but Mom and I have talked about her several times. I know you'll miss her but hang on to those memories. Steve

“ Charlie, Bob and I were so sorry to hear about Val's passing. She was such a great lady and so full of love for her family. She loved being part of the American Legion Auxiliary family. I wish she could have been in better health to enjoy her year as district president and enjoy being First Lady when you were district commander. She is now at peace with her heavenly Father, but we will all still miss her.

“ Charlie & family - was shocked to hear of Val's passing, what a
great lady and friend she has been to us. The knowledge of her
humming birds was amazing and we never met but what the
conversation went that direction. Her passing will leave a deep void
in your life as well as the American Legion Auxiliary but her good
deeds will never be forgotten,
Bless you all,
