“ *Vivian and I always enjoyed making mud pies when we were kids on the farm. We would offer them to relatives on a Sunday visit. I have such wonderful memories that I wish I could list them all. I will miss my dear cousin's laughter and her spunk and the great chats we had on the phone. Love, Doreen Klatt*

“ *I wrote a few memories, but my post disappeared. Aunt Vivian was my favorite also. She Always made me feel Welcomed. She was always there for me. She was Blessed with a Beautiful Loving Family. They were Blessed with her as their Mother, GRANDMA & Great GRANDMA.*

This past year or so We'd happen to be @the grocery at the same time. Funny how we could play catch-up for 15- 20 minutes over in the produce department. I had been thinking about her a lot this past couple weeks. Tim, Gail & Lisa: You'll Have Her Love Always.

“ Aunt Vivian was my Favorite also. We use to visit quite a bit when I was younger. She Always made me feel special & was glad to see me. I remember learning to play Dominoes @ HER 🏠; along with my cousins Tim & Gail. Her kitchen was the Heart of the House. She often had baked or was baking something when we arrived. Lots of laughter. Lots of LOVE. I remember when Lisa was born and was around to watch her grow. Aunt Vivian appointed Gail & I to keep her Off the staircase. Since we usually sat there listening to the latest Beatles 45 it was no problem. Lisa had a "special" blanket that got smaller & smaller. Between the washing & the scissors ; Aunt Vivian made it possible for Lisa to outgrow it without the 😞. Within the last year or so, KROGER seemed to be our meeting place. Sometimes we could Visit fo 20 minutes or so. Almost a weekly thing before social distancing. Now I know why She'd been on my mind this last few weeks. Tim, Lisa & Gail; you have a Great Mother who will be in your hearts FOREVER.

“ When I was little, Aunt Vivian and Uncle Earl used to keep me for a while to give mom and dad a break so they could have some uninterrupted time together to go on a date or whatever else came to mind. They tried unsuccessfully a couple of times to keep me overnight. In all of my 69 years, I do not recall Vivian ever being anything but great to me even when I was not on my best behavior. She was truly my favorite aunt. I have thought of her often over the years. She was very blessed with a great and very close family of great children, grandchildren and great grandchildren. Even though we did not see each other much the last several years, I will miss her greatly. She truly was my favorite aunt.
