“Sometimes there's heartaches and teardrops will fall
Good years and bad years, we live through it all”-Rodney Crowell
My favorite memories of WJ are hearing him say lyrics from the
thousands of songs in his head after I would say something. Then of
course, I was introduced to the original singer/songwriter. I will also
miss laughing with him at all his jokes, of course the funniest were
the ones that I heard wrong, then they'd backfire and he'd be
laughing too.
I will miss our monthly chats.
Condolences to the entire family.
